

Exhibit features resident's photography

SPRINGFIELD - "Favorite Faces from Faraway Places," a photography exhibit by Amy S. Dane, will be on view in the Daly Building of Baystate Medical Center in Springfield from March 12 - May 1st. The 40 photographs lining the corridor to the MRI wing will display faces from twenty different countries worldwide.

Dane, a lifelong Longmeadow resident, describes herself as "a travel addict who loves to take pictures." She believes that travel builds bridges and promotes tolerance and understanding between diverse cultures. Her favorite subject is people. Since hospitals are dedicated to helping and healing people, Dane considers Baystate Medical Center a most fitting venue for her work.

Dane also enjoys sharing her experiences by giving culturally informative presentations about her travels. Please visit her website at www.amydaneadventures.com.

The extensive photo gallery provides a drop box of over 50 countries to choose from. Browsers may also view photographs tagged by theme. The opportunity to purchase photographs on-line will be made available soon. The website also includes a wide selection of slide shows, newspaper articles, cable television shows and both past and upcoming exhibitions.

The photographer's awards include "Best in Show," February, 2012 at the Friends of the Agawam Public Library 2nd Open Juried Photography Show, and second place in photography at the Monson Arts Council's 2013 art show. She was honored in June, 2013 as one of "13 Extraordinary Women" by the Women's Philanthropy of the Jewish Federation of Western Massachusetts.

Dane is a travel agent for Great Dane Travel, a Travel

Companion affiliate. She is a contributing photographer to the Longmeadow News; a docent for the Michele and Donald D'Amour Museum of Fine Arts, Springfield; and a member of the Agawam Community Artists & Artisans, the Valley Photo Club, Springfield, and the Springfield Photographic Society. She received her B.A. (Smith College) and M.A. (Williams College) in Art History. She served as Education Coordinator at the Mount Holyoke College Art Museum for 11 years.

The Daly Building is located at the Baystate Medical Center, 759 Chestnut Street, Springfield, MA. For more information, call Sue Fontaine in Marketing and Communications at Baystate Medical Center at 794-7630, or email the photographer at amy@amydaneadventures.com.
